

How to add the social networks of your organization to Hootsuite

Add the social networks of your organization 1/3

1. Click on **My Profile** in the lower left corner.
2. Click on **Manage accounts and teams**.

Add the social networks of your organization 2/3

3. Click on **Manage**.

Add the social networks of your organization 3/3

4. Click on **Add a social network**.
5. A pop-up window will open.
6. Select **the social network** you wish to add and type in the credentials for that specific social network.
7. Once you've done this, you'll need to grant access between the social network and Hootsuite. After this, the social network is now added to Hootsuite.
